HOW WE CAN DO IT..

WALKING

Walking is a great way to get to school! Get some fresh air and chat with family and friends while travelling to school. Check the map on page 2 to see which areas are within a 5 to 15 minute walk.

CYCLING & SCOOTING

If walking isn't your thing, grab some wheels and cycle or scoot to school! Check the map on page 2 to see which areas are within a 2 to 5 minute cycle.

Always lock up your cycle or scooter to keep it safe while you are at school.

There is **parking** for **cycles** and scooters near to the entrances from both Villa Road and Chapel Road, as shown on the map.

bikeability

Sign up for Bikeability to learn how to cycle safely and confidently on the road.

BUS

If you live further away, try catching the bus to school! Check out the map to see where the nearest bus stop is and download the Travel Essex App to find out which bus to take.

PARK & STRIDE

If you are coming to school by car, try parking in the 5 minute walking zone and walk the rest of the way! That way you get to be active and help reduce traffic outside the school, keeping it safer for everyone.

Parents are able to park in the back part of the **Tollgate Hall** car park, as shown on the map. There is a lane to get from the car park to Villa Road.

PARKING

Keep everyone safe if you drive to school. Follow the 3 parking rules **CARE**, **CONSIDERATION** and **CAUTION**:

- turn off your engine when waiting
- don't park on the pavement, zig-zag lines or double yellow/red lines
- don't block driveways or access on residential roads
- consider picking up friends on the way to save other parents driving as well

There are limited parking spaces along Villa Road and Chapel Road that can be used for drop off and pick up times.

Use this QR code to check for upcoming road closures or works that might affect your drive to school.
